

# Chris Knight, Old Man

Got a old horse  
run loose on the farm  
like a big dog  
don't do no harm  
and i live down  
a dead end track  
me and my horse  
and them chickens out back  
Raised five kids  
they've all up and gone  
came up rough  
not a one went wrong  
when the old woman died  
they scattered in the wind  
and i never know  
when i'll see em again  
I'm an old man  
done all i can  
i been working this land  
since i was 24  
i'm an old man  
ain't a whole lot going on around here anymore  
Had an old dog  
lived 15 years  
train got his leg  
coon got his ear  
he loved to hunt  
he loved to fight  
the way i used to be  
on saturday night  
repeat chorus  
i still work  
a good half a day  
plant a little corn  
cut a little hay  
Don't want a die  
untill i've lived too long  
they'll sell this place  
whenever i'm gone  
i miss my sweetheart so  
and they way she used to smile  
i miss them kids of mine  
runnin wild  
when daylight fades  
in late afternoon  
bout all i know is  
it was gone to soon  
repeat chorus  
ain't a whole log goin on around her anymore  
ain't a whole lot going on around her any more
