

Chris Knight, The River's Own

The Yeah, me and that river [A]we were [D]one
And [Bm]I'm one of the river's [G]own
It's [A]current down inside me is [Bm]strong[G]
And it's [D]up to me to [A]carry [Bm]on
'Cause [G]I'm [A]one of the river's [D]own
Two years ago dad [G]passed [D]away
And I'll never forget that [A]mournful [D]day
Then a lawyer read me [G]out his [D]will
It said "son, it's time for [A]you to be [D]still"
Then a [G]week ago a government man
Tried to [D]pay me off to [A]flood our [D]land
And I did just what my [G]dad would've [D]done
'Cause me and that river [A]we are [D]one
And [Bm]I'm one of the river's [G]own
It's [A]current down inside me is [Bm]strong[G]
And it's [D]up to me to [A]carry [Bm]on
'Cause [G]I'm [A]one of the river's [D]own
