All Around Cowboy

Well i've never been afraid of much and never thought i need a crutch
To help me through the trials of this life
But there's one thing i cant do with out and copenhagen's what i'm talking
About and i love it nearly as much as i love my wife.

Now when i first started chewing i didn't know what i was doing
But i liked the way it helped me to relax
And a big ol' chew tastes might good just the way copenhagen should
But when its gone i'm a slobbering maniac.

Chorus

I'm a copenhagen junkie, there's a big ol' hairy monkey on my back
And he just wont let me be
Cause when i run out of chewing
I know i'm on the road to ruin
Yes that copenhagen's got a hold on me

I can go without a lot of things like sweet potatoes and butter beans
And you know if wouldn't really bother me at all
I can go without coffee for a couple of days but if you take my snuffs away
I'll be climbing like the spider up the wall.

Chorus

Well i even tried to quit one time
My knees got weak and sorta went blind and my mellow disposition headed south
I started eating like a big fat hog got wild got mean like a rabbit dog and
Start frothing and foaming at the mouth

Chorus

Can i help you sir?
Ah, yea do you got any copenhagen?
No sir i'm afraid we're all out
Ahhhhhhh

Chorus

Ahh copenhagen, it makes me feel so good
But when its gone boys, i ain't feeling exactly the way i should
