Chris Ledoux  
Miscellaneous  
Copenhagen  
Chorus

Copenhagen it makes me feel so good.  
Copenhagen the way i know it should.  
I put a little chew in my mouth,  
Go spittin' and a-slobberin'  
All around the house, that  
Copenhagen, it makes me feel so good.

1.  
I took a chew just the other night-  
It made me feel so fine.  
I grabbed my honey baby  
And i pinched her ol' behind.  
She said, &quot;you better spit out that  
Chewin' tobaccer if you wanna kiss  
Me on the big ol' smacker,  
That copenhagen, it makes me feel so good.

Chorus

2.  
I was sittin' in a bar room  
And i took a little dip--  
Drinkin' beer & talkin'  
But i had no place to spit.  
So i spit a stream out on the floor,  
And that bouncer flung me out the door,  
That copenhagen, it makes me feel so good.

Chorus

Recitation

It's a cure all too-  
It cures fits, warts, freckles, coughs,  
Colds, runny nose.  
Guaranteed not to rip, run or snag.  
Makes conception a wonder and  
Child birth a pleasure...  
That's copenhagen...
