

# Chris LeDoux, I'm Ready If You're Willing

There's a big bright moon above and the night's just made for love  
Baby I'm ready if you're willing  
Well that twinkle in your eye is a darlin' me to try baby I'm ready if you're willing  
Now baby can't you see I'm waitin' for you to make up your mind  
No use in hesitatin' can't you see we're wastin' time  
Don't you think that love is grand let me be your lover man  
Baby I'm ready if you're willing

Well I like the way you smile would you like to spoon awhile  
Baby I'm ready if you're willing  
And I like the way you kiss oh let's go on like this baby I'm ready if you're willing  
Now baby can't you see I'm waitin'...
