

# Chris LeDoux, I Would for You

Darling, I need my freedom  
I've been my own man so far  
I never felt so free 'til  
I got wrapped up in your arms  
I know the heartaches  
Love can sometimes put you through  
Opening up my heart as the last thing I should do  
But I would for you  
You gotten me thinking things girl  
I never even thought about  
You got me feeling feelings  
And that I never would allow

I passed up a chance  
For love a time or two  
'Cause I was determined not to be somebody's fool  
But I would for you  
All of my friends say  
They just can't believe it's true  
I swore up and down  
That I would never say, "I do"  
But I would for you  
I would for you
