

Chris LeDoux, Life Is a Highway

Life's like a road that you travel on
When there's one day here and the next day gone
Sometimes you bend, sometimes you stand
Sometimes you turn your back to the wind
There's a world outside every darkened door
Where blues won't haunt you anymore
Where the brave are free and lovers soar
Come ride with me to the distant shore
And we won't hesitate break down the garden gate
There's not much time left today
Life is a highway, I want to ride it all night long
You're going my way, I want to drive it all night long
Through all these cities and all these towns
It's in my blood and it's all around
I love you now like I loved you then
This is the road and these are the hands
Tennessee to those L.A. nights
San Antone to the Vegas lights
Knock me down get back up again
You're in my blood I'm not a lonely man
There's no load I can't hold road so rough, this I know
I'll be there when the lights come in tell 'em we're survivors
Life is a highway, I want to ride it all night long
You're going my way, I want to drive it all night long
There was a distance between you and I
A misunderstanding once but now we look it in the eye
There's no load I can't hold road so rough this I know
I'll be there when the light comes in tell 'em we're survivors
Life is a highway, I want to ride it all night long
You're going my way, I want to drive it all night long
Life is a highway, I want to ride it all night long
You're going my way, I want to drive it all night long
