

# Chris LeDoux, Look At You Girl

Chris Ledoux

Miscellaneous

Look At You Girl

Just look at you, girl

Standin' here beside me

Starlight on your hair

Lookin' like a dream i dreamed somewhere

And look at me, girl

You got me actin' just like a lover

In an old time picture show

And how i got the part -- i just don't know

But it's written all across your face

Plain as it can be

You're the one that i was lookin' for

Now you're all that i can see

Chorus:

You mean everything to me

And i'd do anything to have you stay forever

I'm an ordinary man

But i feel like i could do anything in the world

When i look at you, girl

Verse:

Just look at you, girl

Walkin' here beside me

Misty morning light

I see my own reflection in your eyes

And just smile at me, girl

With eyes that tell a story

That words can never say tellin' me your love is gonna stay

And we're standin' right together now

In everything we do

And if my world should come apart

I'll still be lovin' you

Repeat chorus
