

Chris Norman, For You

well the first time I saw you
on that cold winter's day
I was trapped between heaven and hell
and I really tried hard
to escape from your eyes
but my heart was too wear and I fell
for you

I knew nothing about you
but I just didn't care
in desire for you I was caught
and I promised myself
I will never give up
I had no chance at all but I fought
for you

and we shared a few light years
in a land we called love

and your kiss was a dangerous gift
but my soul was addicted
to all that you gave
and I prayed und I cursed but I lived
for you

well the last time I saw you
on that cold winter's day
oh I felt such a deep pain inside
and I wanted to hide it
away from your eyes
but my heart was too weak and I cried
for you

ooh you know I can't hide it
I see it in your eyes
baby ooh for you
