Chris Norman, For You

well the first time I saw you on that cold winter's day I was trapped between heaven and hell and I really tried hard to escape from your eyes but my heart was too wear and I fell for you

I knew nothing about you but I just didn't care in desire for you I was caught and I promised myself I will never give up I had no chance at all but I fought for you

and we shared a few light years in a land we called love

and your kiss was a dangerous gift but my soul was addicted to all that you gave and I prayed und I cursed but I lived for you

well the last time I saw you on that cold winter's day oh I felt such a deep pain inside and I wanted to hide it away from your eyes but my heart was too weak and I cried for you

ooh you know I can't hide it I see it in your eyes baby ooh for you
