

Chris Rea, Bombollini

Sing a song of love to me
Sing out, sing out
She's the one who made me free
Sing out, sing out

'Cos she made me smile
And she made me love
Oh she made me laugh
And she made me dance
Bombo!

Little pearl inside the shell
Come out, come out
From deep down in my wishing well
Sing out, sing out

'Cos you made me smile
And you made me love
And you made me laugh
And you made me dance

Bombo!
