

Chris Rea, I'm Taking The Day Out

I'm taking the day out
I'm slipping away
I know what you're thinking
But please not today

Tell me tomorrow or never at all
'cos I know so maybe I'll give you a call

I'm taking the day out
Yea taking the day out

Tell me tomorrow or never at all
I know what you're after
I'll give you a call
I'm taking the day out
Yea taking the day out
