

Chris Rice, Go Light Your World

There is a candle in every soul
Some brightly burning, some dark and cold
And there is a spirit who brings a fire
Ignites a candle and makes his home
Carry your candle, and run to the darkness
Seek out the helpless, confused and torn
And hold out your candle for all to see it
Take your candle, and go light your world
Take your candle, and go light your world
Frustrated brother, see how he's tried to
Light his own candle some other way
See now your sister, she's been robbed and lied to
Still holds a candle without a flame
So carry your candle, and run to the darkness
Seek out the lonely, the tired and worn
And hold out your candle for all to see it
Take your candle, and go light your world
Take your candle, and go light your world
'Cause we are a family whose hearts are blazing
So let's raise our candles and light up the sky
Praying to our Father, in the name of Jesus
Make us a beacon in darkest times
Carry your candle, and run to the darkness
Seek out the helpless, deceived and poor
Hold out your candle for all to see it
Take your candle, and go light your world
Take your candle, and go light your world
Carry your candle, run to the darkness
Seek out the helpless, confused and torn
Hold out your candle for all to see it
Take your candle, and go light your world
Take your candle, and go light your world
Take your candle, and go light your world
