

# Chris & Rich Robinson, Horsehead

I said, Horsehead, got you bug-eyed  
Horsehead left the day for night, yeah  
Horsehead ain't no dragonfly  
Horsehead help you live a lie, yeah  
You cannot see the hole in front of you  
Well, I wanna see you down if you want me to  
You are blessed with just one life  
All you are is what's inside  
If you take this, step aside  
Jesus gave until He died  
Well that's what they say  
That's what they say  
Said, Horsehead, feel your soul fall  
Horsehead gonna take a dive  
Horsehead, see it ain't no good at all  
Horsehead, said you're gonna die, die, die, die

You cannot see that hole in front of you  
Now, I wanna serve you down if you want me to  
You are blessed with just one life  
All you are is what's inside  
If you take this, step aside  
Jesus gave until He died  
Burnin' here, yeah, you cannot see  
That hole is burnin' you up  
I'm gonna serve you down, yeah, if you want me to  
You are blessed with just one life  
All you are is what's inside  
If you take this, step aside  
Jesus gave until he died  
Are you are who you are?
