(A burning desire) Barry, you want some chicken?  
(The undeniable passion)  
Aww, you ??? that singin' stuff  
(The love, of someone are some thing)  
Y'know you want some chicken!  
(Yes, he was a victim...of a Basketball Jones)  
In fact, I was a baddest...dribbler in the whole world  
(Then one day, his mother bought him a basketball)  
And I love that basketball! I took that basketball everywhere I went  
You know what? That basketball was like a basketball to me!  
C'MON, you cheerleaders..

[&quot;Cheerleading&quot; ;singers sing - Chorus]  
Basketball Jones  
I got a Basketball Jones (happily)

(His basketball was like a member of his owwwwn family)  
In fact, better looking than my brother Tony  
Didn't owe me money, and didn't piss in a bed!  
And after the game, I always took a shower wit' my basketball  
Every now and then, the basketball gonna pinch my butt  
But I didn't mind, 'cause my and my basketball had guts, clean fun  
See I am a victim of a Basketball Jones, I'll take my basketball everywhere  
I'll even put my basketball under the PILLOW!  
(Maybe that's why you couldn't sleep at night)
