

Chris Rock, Can A Nigga Get A Table Dance

(feat. Maestro)

[Announcer]

Alright, fellas that was Ashley on the main stage
And right now it's time for the "Dja Vu"
Buy one, get two table dances alright now fellas,
You know what to do,
Here come the ladies!
Here come the ladies!

[Chris Rock]

Hey baby, hey baby
Hey light-skinned sister, come on over here and give a brotha a dance.

[Girl]

Uh... I already got a customer

[Chris Rock]

Hey, hey, hey, hey
Dark-skinned sister why don't ya give a brotha a dance,
come on give a brotha a dance...

[Bitchy Girl]

My shift is over!

[Chris Rock]

Well why don't you work some overtime then!?!

[Bitchy Girl]

SHIIIT!!!

[Chris Rock]

Okay, I understand ya shit...
Hey baby, come here, come here, give a brotha a dance
Corn-rowed sister, give a brotha a dance

[Girl]

I'm a waitress!

[Chris Rock]

Oh okay, okay
(piano starts to play)
Damn! What am I glass? I think I'll sing.

[singing to piano melody]

La-dies of "Dja Vu"
What must I do... to get with you
I got a role of twenties buried in my pants
So here's on little question that I'd like to ask...

[Rap beat starts]

[Chorus: x4]

CAN A NIGGA GET A TABLE DANCE!!!
SHAKE IT UP! SHAKE IT UP! WOO! SHAKE THAT THANG!

[Maestro]

I been workin' for a week, here's the money I got
I'm lookin' for a place to bust this nut
I'm attendin' in my benzo
Lookin' for a place to find some mackin' hoes
But that shit don't thrill me
So I head out to the mad city to get it on, G
Out the benz, I'm lookin' for fun

I'm lookin' for a place that gonna move some (echo)
Know what I'm sayin', know what I'm talkin' about?
I'm lookin' for a bitch that can turn the party out
I met a bitch named Dynasty,
Wit so much back, she made a blind man see.
What's really happenin'?
Too many clothes, not enough booty slappin'
Now I don't need romance, all I need to know is

[Chorus: x2]
CAN A NIGGA GET A TABLE DANCE!!!
SHAKE IT UP! SHAKE IT UP! WOO! SHAKE THAT THANG!

(Gong Sound)

[Stripper]
I'll give you a table dance!

[Chris Rock]
But you're white!

[Stripper]
And you're cute.

(They start to get it on)

[Chris Rock]
This is a great table dance!

[Stripper]
Hey, you like that?

[Chris Rock]
I love it! This table dance makes me wanna... makes me wanna SING!
