

Chris Rock, Suck Your Big Toe

(feat. Tim Meadows)

["Hangin' With MTV" Host (Julia Sweeny):]

We have an exclusive MTV world premiere. Yeah, a hot new group from Atlanta that we're hearing big things from: G-Spot!

(Cut to a quintet of black men in orange ghetto attire. The only two familiar faces are those of Rock and Meadows.)

[Tim: singing]

Hey girl - take off your dress right now
I'm lookin' at your body, and I wanna say ...

[Chris:]

Oww.

[Tim: singing]

You go through the shinin', got extensions in your hair
You say the kid's in the other room, but you know that I don't care

[Chris: singing]

Babay, ... buzz me at the do'
Pull up your skirt, child, now pull it up some mo'
Your panties are green, and your bra is pink
Now suck on my tic-tac, so your breath won't stiiink

[Chorus x2: G-Spot] [singing]

All I wanna do, is suck your big toe
Suck it reeeeeal slow, I wanna suck your big fat toe

[Chris: singing]

Honay, your toe tastes so sweet
You got a big corn on it - ooh! I love the extra meat!

[Tim: singing]

Your mind says no, but your body says yes
I'm lookin' at the backside, baby, and thinkin'
"Damn, this bitch is blessed!"

[Chorus]

[Chris: singing]

This little piggy wants tastin',
And this little piggy wants sex,
This little piggy wants raisin',
But your big toe is the best!

[Chris: talking]

Yeah, girl - that's the reason I love ya, baby!
I love every lil' thing about ya,
baby! I love that nose ring you got in your nose, baby,
and I love your big fat toe.
I love the way you tell the cops you ain't seen me in two years, baby!
Yeah, girl, just come here, baby, let me suck on your toe! Don't run!
I would never hit a woman - unless she owes me money! Come on!!

[Chorus]

[Chris:] Yeah baby, gimme some toe!
