

# Chris Rodriguez, Saved

Once given over to evil  
A heart so cold and deceitful  
Lost and fallen, fallen  
Fallen in the ways of the world  
A slave to all kinds of pleasure  
Yet all the while in the desert  
Thirsty and hungry for you  
Longing for a new rebirth

CHORUS:

Now I'm saved  
Never to be lost again  
Now I'm saved  
Saved in the end  
By the Lord of all  
The holy one  
My one and only  
True and faithful friend  
My eyes were eyes disillusioned  
I walked the streets of confusion  
Drifting in an aimless life  
A broken life  
No life at all  
Who can redeem this sinner  
This angry child  
This beginner  
To the ways of Love unfailing  
These heights I'm scaling  
To be with you

CHORUS:

Now I'm saved  
Never to be lost again  
Now I'm saved  
Saved in the end  
By the Lord of all  
The holy one  
My one and only  
True and faithful friend

BRIDGE:

Come all you captives  
Be set free  
By the Holy Prince  
Of Peace  
Shelter from the enemy  
He will save you  
Save me  
Save you  
Save

Let all this fear fall away now  
It surely is a new day now  
Rise up - and look on high  
Redemption - Draweth Nigh

CHORUS:

Now we're saved  
Never to be lost again  
Now we're saved  
By the Lord  
True and faithful friend  
Now we're saved  
Never to be lost again  
Now we're saved  
Saved  
Saved...
