

# Chris Stapleton, What Am I Gonna Do

What am I gonna do  
When I get over you?  
What am I gonna be  
When you're just a memory?  
What am I gonna drink?  
When I don't have to think  
About what I'm gonna do  
Without you?

Been drinkin' everything on that shelf  
Feels like I'm killin' myself  
You're gone, and it hurts like hell  
Wishin' I was anybody else

What am I gonna do  
When I get over you?  
What am I gonna be  
When you're just a memory?  
What am I gonna drink?  
When I don't have to think  
About what I'm gonna do  
Without you?

Jukebox with a neon glow  
Keeps playing "That's The Way Love Goes"  
Time keeps ticking on by so slow  
They say it'll heal ya, but I hope it don't though

What am I gonna do  
When I get over you?  
What am I gonna be  
When you're just a memory?  
What am I gonna drink?  
When I don't have to think  
About what I'm gonna do  
Without you?
