

Chris Tomlin, You Lifted Me Out

You turned my way
You heard my cry
You turned my mourning into shouting
Sorrow may last for a night
But with the light I am seeing
I am singing

You lifted me out
You lifted me out
And set me dancing, dancing
Free, now I am free
Your love rescued me
Now it's the anthem I'm singing

Many will see
Many will hear
And find You strong enough to save
Many the wonders You have done
Your light has come, I am singing
I am singing

Lost is where You found me
Shattered and frail
But You love me still
Trouble may surround me
My heart may fail
But You never will
You never will
