

Chris Willis & David Guetta, Love Is Gone

What are we supposed to do?
After all that we've been through
When everything that felt so right is wrong
Now that the love is gone
There is nothing left to prove
No use to deny this simple truth
Can't find the reason to keep holding on
Now that the love is gone
There is nothing left to prove
No use to deny this simple truth
Can't find the reason to keep holding on
Now that the love is gone
Love is gone
Love is gone
Love is gone
Love is gone
I feel so hurt inside
(Love is gone)
Feel so hurt inside
Got to find the reason
What are we supposed to do?
After all that we've been through
When everything that felt so right is wrong
Now that the love is gone

There is nothing left to prove
No use to deny this simple truth
Can't find the reason to keep holding on
Now that the love is gone
(Love is gone)
What are we supposed to do?
After all that we've been through
When everything that felt so right is wrong
Now that the love is gone
There is nothing left to prove
No use to deny this simple truth
Can't find the reason to keep holding on
Now that the love is gone
Love is gone
Love is gone
Love is gone
Got to find a reason, got to find a reason
Got to find a reason, got to find a reason
(Love is gone)
Got to find a reason, got to find a reason
Got to find a reason to hold
(Love is gone)
