

Chris Willis & David Guetta, Never Take Away My

I may be wrong, I may be right
I may never see the light
But you can never take away my freedom
Can take everything I own
You can have and sing my song
You can never take away my freedom
I may be wrong, I may be right
I may never see the light
But you can never take away my freedom
Can take everything I own
You can have and sing my song
You can never take away my freedom
Freedom, freedom, freedom, freedom
Freedom, freedom, freedom, freedom
I may be wrong and may be right
I may never see the light
But you can never take away my freedom
Can take everything I own
You can have and sing my song
You can never take away my freedom
Freedom, freedom, freedom, freedom
Freedom, freedom, freedom, freedom
Freedom, freedom, freedom, freedom
I may be wrong and may be right
I may never see the light
But you can never take away my freedom
Can take everything I own
You can have and sing my song
You can never take away my freedom
Freedom, freedom, freedom, freedom
Freedom, freedom, freedom, freedom
Freedom, freedom, freedom, freedom
Freedom, freedom, freedom, freedom
