

# Chris Young, It Takes A Man

She locked her fingers and bowed her head  
She said, "I'm late and I'm really scared"  
Now you can go but I hope you stay  
I'm gonna keep it either way  
In my daddy's El Camino  
In her driveway in the rain  
Starin' through that windshield  
I could see my future change  
And my heart hit like a hammer  
And my thoughts were runnin' wild  
Any fool can make a baby  
But it takes a man to raise a child  
I laid my head down on the wheel  
She said, "I know, I know it don't seem real"  
She closed her eyes but the tears flowed through  
She said, "Don't hate me for lovin' you"  
In my daddy's El Camino  
In her driveway in the rain  
Starin' through that windshield  
I could see my future change  
And my heart hit like a hammer  
And my thoughts were runnin' wild  
Any fool can make a baby  
But it takes a man to raise a child  
Oh, I could not reassure her  
I couldn't say what I had planed  
Couldn't put three words together  
So I just took her hand  
In my daddy's El Camino  
In her driveway in the rain  
Starin' through that windshield  
I could see my future change  
And my heart hit like a hammer  
And my thoughts were runnin' wild  
Any fool can make a baby  
But it takes a man to raise a child
