

# Chrisette Michele, Mr. Radio

Talk about a man's lips  
Talk about a man's hands  
Talk about a man's eyes

Talk about a woman's lips  
Talk about a woman's breasts  
Talk about a woman's thighs

Those are things so beautiful  
But is there more than physical?  
Isn't love much deeper?  
Write a song that's spiritual  
Write about a lover's soul  
Tough love's much sweeter

[Chorus:]  
Thank you for your tone to make love to  
I heard it before  
Thank you for your love song Mr. Radio  
Thank you for your lullabye  
It makes love look so easy  
Thank you for your love song Mr. Radio

Talk about bad times  
Talk about a sweet kiss  
Talk about hot nights  
Talk about making love  
Talk about naked love  
Talk about love lifes  
What about the crazy fights  
What about the sleepless nights  
What about a brother's ego (ego)  
What about the sacred vows  
How do lover's work it out  
There's much more than the tingle

[Chorus]

See i know sometimes  
Lovers go crazy  
A smile and some lingerie can  
make it right  
And I know some fights  
Mr. Radio can't block away

[Chorus (3x)]
