

Chrisette Michele, Mr. Radio

Talk about a man's lips
Talk about a man's hands
Talk about a man's eyes

Talk about a woman's lips
Talk about a woman's breasts
Talk about a woman's thighs

Those are things so beautiful
But is there more than physical?
Isn't love much deeper?
Write a song that's spiritual
Write about a lover's soul
Tough love's much sweeter

[Chorus:]
Thank you for your tone to make love to
I heard it before
Thank you for your love song Mr. Radio
Thank you for your lullabye
It makes love look so easy
Thank you for your love song Mr. Radio

Talk about bad times
Talk about a sweet kiss
Talk about hot nights
Talk about making love
Talk about naked love
Talk about love lifes
What about the crazy fights
What about the sleepless nights
What about a brother's ego (ego)
What about the sacred vows
How do lover's work it out
There's much more than the tingle

[Chorus]
See i know sometimes
Lovers go crazy
A smile and some lingerie can
make it right
And I know some fights
Mr. Radio can't block away

[Chorus (3x)]
