Sweet Dreams

I woke up one morning  
to find i was dreaming.  
dreaming of a place far away  
where you loved me,  
and i loved you  
it was perfect  
untill i woke up

~\*chorus\*~

sweet dreams come and go  
this one stays forever  
because im with you  
snow will melt  
and leaves will fall  
you will hear my wisper  
when i call.

you gently wisper in my ear  
that you will always love me  
for all and eterinty.  
as we heard the soft raindrops outside,  
you reached over and held my hand  
i knew then,  
you were in love with me.

~\*chorus\*~

sweet dreams come and go,  
we are forever...
