

# Christ Agony, Unvirginity Sin

In red of the moon  
In bloodred of the sun  
I plunge eye-lids  
Trying to fall asleep...  
Neither dream  
Neither god, nor spirit I touch  
Still thirsty of the sin  
To the sin I am  
With a sin I'll be winged  
To the sin I am  
With a sin I'll be immortal  
In red of the moon  
In bloodred of the sun  
I plunge eye-lids  
Trying to fall asleep...  
In one moment I could be  
As touchable as the night  
As unvirginity as the light  
As far as the sky...  
Nothing except madness  
Is left in a look  
As fast as...  
In one moment I could be  
As touchable as the night  
As unvirginity as the light  
As far as the sky...
