

Christi, Full Of Smoke

But let us leave these two young men
To sit and reflect on the fate of the world
For life as we know it my brotha, must go on
And so the hustlers continue to hustle
And the playa's continue to play
I'm the man today
Can't nobody tell me nothin'
Got a hold on life
I'm takin' each day by day being strong
Know just where I'm going to
As I get higher and higher
Dreams grow, visions flow by
This is as good as it gets
As I take another hit, suga
I can't stop, I won't stop
'Cuz I'm too cool
And what they say is true
Ooh, I'm full of smoke
'Cuz I'm too cool
And what they say is true
Ooh, I'm full of smoke
Watching my life go down
Watching my life go down
Watching my life go down
Watching my life go down
And all the day time just passes by me slowly
But I'm alright, you'll see
Faces and places catching different cases
True runners it's glorified
Same situation, nothin' ever changes
Just being a bona fide hustler
Hustler, baby, from day to night
Business is as good as it gets
As I take another hit, honey
I won't stop, I won't stop
'Cuz I'm too cool
And what they say is true
Ooh, I'm full of smoke
'Cuz I'm too cool
And what they say is true
Ooh, I'm full of smoke
Watching my life go down
Watching my life go down
Watching my life go down
Watching my life go down
I'm the man today
Can't tell me 'cuz I'm feeling
'Cuz I'm too cool
And what they say is true
Ooh, I'm full of smoke
'Cuz I'm too cool
And what they say is true
Ooh, I'm full of smoke
Watching my life go down
Watching my life go down
Watching my life go down
Watching my life go down
Watching my life go down
Watching my life go down
Watching my life go down
Watching my life go down
