

Christi Mac, End Of The Line

Will we be friends when we grow old?
Or is this the end of the line?

I hurt with you, I love with you
The world just seems to get in our way
Is this the end of the line?

Oh please don't leave me
Don't let your heart let go
We'll find a way
The journey has only begun
Is this the end of the line?
Oh yeah, oh
Is this the end of the line?
If you leave I'll follow
don't let your heart let go
We'll find a way
the journey has only begun
Is this the end of the line?
Is this the end of the line?
