

# Christi Mac, End Of The Line

Will we be friends when we grow old?  
Or is this the end of the line?

I hurt with you, I love with you  
The world just seems to get in our way  
Is this the end of the line?

Oh please don't leave me  
Don't let your heart let go  
We'll find a way  
The journey has only begun  
Is this the end of the line?  
Oh yeah, oh  
Is this the end of the line?  
If you leave I'll follow  
don't let your heart let go  
We'll find a way  
the journey has only begun  
Is this the end of the line?  
Is this the end of the line?
