

# Christian Bautista, Creation

I've been waiting for so long to see you  
I never knew how good it could feel to hold you  
I never imagine the one person  
Could ever mean so much but then it happen  
Just like I prayed for a blessing from above

Chorus:

There you are what a creation, Needed my patience  
Deserving all my time, Deserving all my time  
So beautiful what a creation, simply amazing instantly changing my life  
I realized everyday, I need you I really do  
And if it always through, I still want you  
And you'll always be, the whole world to me  
The God's precious gift, Everytime you smile, every single kiss  
I'd give my life for this

(Repeat Refrain)

Bridge:

And I just wanna hold you, And never let you go  
And now that I have, Baby I won't take you for granted  
Here's why you're the greatest thing, That has happened in my life  
(Repeat Chorus)

.....Life.....

Simply amazing instantly changing my life
