Christian Bautista, Say That You Love Me

my morning starts to shine with teardrops in my eyes
and here I am alone starting to realize
that my days would be brighter, if I could learn to hide
the feelings that I have for you keep hurtin me inside
then my day begins with simple thoughts of you
hoping my tomorrows would be me and you
sharing dreams with each other
and making them come true
holding one another, saying all i need is you
Chorus
but will you say that you love me
and show me that you care
say when I need you, you will always be there
but if you go and leave me
this I swear is true, my love will always be with you
now my nights would end with just one wish that's you
to hold me in the dark and help me make it through
cause this pain thats inside me, would simply melt away
if i had you here with me and promise me you'd stay
Chorus
but will you say that you love me
and show me that you care
say when I need you, you will always be there
but if you go and leave me
this I swear is true, my love will always be with you
but will you say that you love me
and show me that you care
say when I need you, you will always be there
but if you go and leave me
(Ooh) This I swear is true
My love will always be with you
My love will always
My love will always ooh, ooh
My love will always be with you
