

# Christian Bautista, The Way You Look At Me

## INTRO

No one ever saw me like you do  
All the things that I could add up to  
I never knew just what a smile is worth  
But your eyes say everything without a single word

## CHORUS

'Cause there's somethin' in the way you look at me  
It's as if my heart knows you're the missing piece  
You made me believe that there's nothing in this world I can't be  
I never know what you see  
But there's somethin' in the way you look at me  
If i could freeze some moment in my mind  
Be the second that you touch your lips to mine  
I'd like to stop the clock, make time stand still  
'Cause baby, this is just the way I always wanna feel

(Repeat CHORUS)

## BRIDGE

I dont know how or why I feel different in your eyes  
All I know is it happens everytime

(Repeat CHORUS)

## CODA

The way you look at me
