

Christian Bautista, Trying To Get The Feeling Again

At any moment she'll be walking through that door
But she won't find me behind it
'Cause the feelin' is gone and just won't come back anymore
I worked so hard to find it

I've been up, down, trying to get the feeling again
All around tryin' to get the feeling again
The one that made me shiver
Makes my knees start to quiver every time she walks in

I've look high, low, everywhere I possibly can
But there's just no tryin' to gt the feeling again
It seemed to disappear as fast as it came

Read every book, looked for every meditation and poem
Just to bring home that old sweet sensation
But it ain't no use to me to try to get the feeling again

Where did it run to I thought I'd done all that I could
Just to keep the love light burnin'
But whatever I've done I just haven't done it too good
Coz all that's left is yearnin'
Could you help me rediscover the way to re-be her lover once again

Read every book, looked for every meditation and peom
Just to bring home that old sweet sensation
But it ain't no use to me to try to get the feeling
I want to get that feeling again

I've been up, down, tryin' to get the feeling
I've been up, down, tryin' to get the feeling
I've been up, down, tryin' to get the feeling
I've been tryin' to get the feelin' again
