Christian Death
Only Theatre Of Pain
Dream For Mother (Rozz , Rikk , James)
Dreaming about my mother dying
my mind is set at ease
Number the bodies in the mortal world
spreading disease
nodding acquaintances to be sure
making 'Him' a household word

Introduce realism the eye of the beholder
final resting place
of many would be heroes
in New York Park after dark
the time of clinical death is fixed

don't be frighten
necrophiliac relationship
during the freezing process
note the murders
grisly attitude
crossed above my head
to protect it from the rocks
palliation from a weaker sex
palliation from a weaker sex
I'm avoiding what i can see
I dreaming about her dying
