

# Christina Aguilera, Believe Me

Ohh yeah  
Mmmm  
Yeah, oh yeah, oh oh  
Oh yeah

I was alone just because  
I wasn't like them  
They made me, excluded so cruel, and  
Then there was you  
You stood by me, ignored their words  
You became, my best friend so true, oh yeah

You believed in me  
When no one else did  
You gave me the strength to  
Move on, my friend  
You will always be  
The one I remember  
To give my thanks to  
For my success

They just did not understand  
What I was going through  
My situation, they didn't care, no  
You tried to take a stand for me  
When I just could not  
Take it any longer

You believed in me  
When no one else did  
You gave me the strength to  
Move on, my friend  
You will always be  
The one I remember  
To give my thanks to  
For my success

I ohh, as I look back  
I can see how childish they were  
And you ohh, you showed me that  
We were so much more than they were  
I hope they can see their mistakes now  
And not do it to another  
But if they don't, I hope that person  
Finds someone like you

Ohh...  
You believed in me  
When no one else did  
Yeah ohh, no, ohh yeah, oh

You will always be  
The one I remember  
Will always be the one I remember, oh no  
For my success  
For my, for my success, ohh

You believed in me  
When no one else did, ohh yeah  
Ohh, the strength to move on, yeah  
The one I remember, oh  
With all my heart, yeah
