Christina Aguilera, Break It To Me Gently

Break it to me gently Let me down the easy way Make me feel that you still love me If it's just for one more day Break it to me gently So my tears won't fall too fast If you must go, then go slowly Let me love you til the last The love we shared for oh, so long Is such a big, big part of me If you must take your love away, Take it gradually. Break it to me gently Give me time to ease the pain Love me just a little longer 'Cause I'll never never love again If you must take your love away Take it gradually Break it to me gently Give me time to ease the pain Love me just a little longer 'Cause I'll never never love again, 'Cause I'll never, no I'll never Love again.
