Come On Over, Come On Over Baby  
Come On Over, Come On Over Baby (here we go)  
Come On Over, Come On Over Baby (that's right)  
(Yeah, yeah, yeah, yeah)  
Come On Over, Come On Over Baby  
Hey boy, don'cha know I got something going on (uhh, yeah, c'mon)  
I got an invitation,  
don't you keep me waiting all night long (hmm, yeah)  
I know, you know so baby don't  
pretend you won't  
Keep me guessing with ya, ya will or ya won't  
Don't wanna play that game with you baby,  
listen to me  
All I want is you, come over here baby  
All I want is you, oh, you make me go crazy  
All I want is you, now baby don't be shy,  
you better cross that line  
I'm gonna love you right coz all I want is you  
Come On Over (that's right), Come On Over Baby  
(Come On Over, Come On Over Baby (come on))  
I'm not just talking about your sexuality (sexuality)  
But I can't help myself when you put your hands on me  
It's paradise  
when you and I get close get tight  
When I wanna, I wanna go on all night  
I wanna play the game with you baby listen to me  
All I want is you, come over here baby  
All I want is you,  
you know you make me go crazy  
All I want is you, now baby don't be shy,  
you better cross the line  
I'm gonna love you right cause all I want is you  
Come On Over, Come On Over Baby  
Come On Over, Come On Over Baby  
Rap:  
Don't ya wanna be the one tonight  
We can do exactly what'cha like  
Don't you wanna be just you and me  
We can do what comes so naturally  
I got a thing for you, got my mind made up  
And I'm serious, never been more baby,  
don't show it but it's real  
(So sure) And it's right here (come on)  
Come on, Come on, Come on Over  
(Oh, oh, oh, yeah, yeah, yeah)  
Come on, Come on, Come on Over  
Come on, Come on, Come on Over  
(Yeah, yeah, yeah, yeah)  
Come on, Come on, Come on Over  
Come on, Come on, Come on Over  
Come on, Come on, Come on Over  
You give me what a girl feels  
What a girl likes  
What a girl needs  
What a girl wants  
All I, All I want is you oooh woah baby  
All I want is you (oh you make me go crazy oh),  
All I want is you, now baby don't be shy,  
you better cross the line  
I'm gonna love you right cause all I want is you  
All I want is you,  
All I want is you, now baby don't be shy,  
you better cross the line  
I'm gonna love you right cause all I want is you
