I'm leaving today Living it, leaving it to change Slowly drifting into a peaceful breeze Tongue tied, twisted are all my memories Celebrating a fantasy come true Packing all my bags finally on the move I'm leaving today I'm living it, leaving it to change As I'm driving I'm captured by the view Of so much beauty, the road becomes my muse The heat is rising and my head soars through the wind Cool, calm, collective is a child that lost a thing I'm leaving today I'm living it, I'm leaving it to change I'm leaving today I'm living it, I'm leaving it to change But somehow I'm missing I think I really miss it Don't walk away And I'm feeling like I've never felt before Turn down the memories of yesteryears and broken dreams I'm free, finally free Slowly drifting into a peaceful breeze I'm leaving today I'm living it, leaving it to change See I'm leaving today I'm living it, I'm leaving it to change I'm leaving today (I'm leaving it to change) Living it, I'm leaving it to change Living it, leaving it Said I'm living it, leaving it Living it, leaving it to change (I'm leaving it to change) But somehow I miss it I think I really miss it One day
