Don't Make Me Love You ('til I'm Ready)

Written by todd chapman, shelly peiken

Oooh...hey, oh yeah

Don't make me love you 'til i'm ready
Don't make me give you more than my kisses, oh ooh oh
I need you to go slow and steady
Don't make me love you 'til i'm ready

Ooh, oh yeah

Why you wanna rush into my life
Don't you wanna stop and get to know me better
We got all the time in the world tonight
And if we're meant to be we'll be together, oh oh
Stay around just slow it down
'til we find out if we got what it takes

Don't make me love you 'til i'm ready
Don't make me give you more than my kisses
I need you to go slow and steady
Don't make me love you 'til i'm ready

Everything i know about you so far
Makes me believe that you're the one for me
But there's still a lot that's on my mind
And i need time before we go further
Don't you see
So hold me, fold me, but don't be
Thinking i don't want you too

Don't make me love you 'til i'm ready
Don't make me give you more than my kisses
I need you to go slow and steady
(slow and steady, 'til i'm ready baby)
Don't make me love you 'til i'm ready

It's better with a little bit of mystery
Let's wait 'til we have a bit of history
Behind ourselves, ooh ohh yeah yeah
We don't got to be in such a rush
We can live for the moment if we trust
We'll be right here tomorrow, oh yeah yeah

Don't make me love you, ooh, ohh ooh
Don't make me give you, ooh ohh
I need you to go, ooh yeah
Don't make me love you, oh, oh, oh yeah yeah, ohh

Don't make me love you 'til i'm ready
('til i'm ready, ohh ohh)
Don't make me give you more than my kisses
I need you to go slow and steady
(ooh...)
Don't make me love you 'til i'm ready

Don't make me love you, don't make, ooh ohh
Don't make me give you more than my kisses
I need you to go slow and steady, baby
Don't make me love you 'til i'm ready
(ready, yeah yeah)

Don't make me love you 'til i'm ready
Don't make me give you more than my kisses
(more than my, love ohh oh)
I need you to go slow and steady, ooh oh
Don't make me love you 'til i'm ready
Yeah yeah
