Christina Aguilera, Dream A Dream

I dream, there's nothing that's too tough There's nothing that's hard enough For me and you, to get through And I know, that with your hand in mine There's not a goal, we can't reach in time

Life can bring us down, you see Sometimes it's been our destiny But I foresee, possibilities For you and me, ohh I can hold the faith, I know That will see us through, it all

I have had a dream
(I have had a dream)
You and I can
Get through anything
(Get through anything)
Don't you ever say never, because
I have dreamed a dream
(I have dreamed a dream)
I know, I know we can
Get passed everything, ohh no

I feel, all can become real Nothing's too impossible For us to do, ohh and I see, endless opportunities We can reach oh, if we both believe, ohh

Sometimes hoping's not enough The paths ahead can be so tough But if we stay, confident we'll see A brighter day, ohh I can hold the faith, I know That will see us through, the end Ohh ooh, oh yeah yeah

I have had a dream
(I have had a dream)
You and I can
Get through anything
(Get through anything)
Don't you ever say never, because
I have dreamed a dream
(I have dreamed a dream)
I know we can
Get passed everything, ohh no

I have dreamed a dream
(I have dreamed and dream)
You and I
Can get through anything
(Get through anything)
Don't you ever say never, because
I have dreamed a dream
(I have dreamed a dream)
I know, we can, oh
Get passed everything, ohh yeah oh
