

# Christina Aguilera, Every Breath You Take

Every breath you take  
And every move you make  
Every bond you break, every step you take  
Ill be watching you  
Every single day  
And every word you say  
Every game you play, every night you stay  
Ill be watching you  
Oh, cant you see  
You belong to me?  
How my poor heart aches  
With every step you take  
Every move you make  
Every vow you break  
Every smile you fake, every claim you stake  
Ill be watching you  
Since youve gone Ive been lost without a trace  
I dream at night, I can only see your face  
I look around, but its you I cant replace  
I feel so cold, and I long for your embrace  
I keep crying baby, baby please

Oh, cant you see  
You belong to me?  
How my poor heart aches  
With every step you take  
Every move you make  
Every vow you break  
Every smile you fake, every claim you stake  
Ill be watching you  
Every move you make, every step you take  
Ill be watching you  
Ill be watching you

In the late 80s sting recorded a new version of the song known as every bomb  
You make which was played out over the closing credits of the uk satirical tv show  
Spitting image. the rewritten lyrics were:

Every bomb you make  
Every job you take  
Every heart you break, every irish wake  
Ill be watching you  
Every wall you build  
Every one youve killed  
Every grave youve filled, all the blood youve spilled  
Ill be watching you  
Oh, cant you see  
You belong to me?
