

Christina Aguilera, Every Breath You Take

Every breath you take
And every move you make
Every bond you break, every step you take
Ill be watching you
Every single day
And every word you say
Every game you play, every night you stay
Ill be watching you
Oh, cant you see
You belong to me?
How my poor heart aches
With every step you take
Every move you make
Every vow you break
Every smile you fake, every claim you stake
Ill be watching you
Since youve gone Ive been lost without a trace
I dream at night, I can only see your face
I look around, but its you I cant replace
I feel so cold, and I long for your embrace
I keep crying baby, baby please

Oh, cant you see
You belong to me?
How my poor heart aches
With every step you take
Every move you make
Every vow you break
Every smile you fake, every claim you stake
Ill be watching you
Every move you make, every step you take
Ill be watching you
Ill be watching you

In the late 80s sting recorded a new version of the song known as every bomb
You make which was played out over the closing credits of the uk satirical tv show
Spitting image. the rewritten lyrics were:

Every bomb you make
Every job you take
Every heart you break, every irish wake
Ill be watching you
Every wall you build
Every one youve killed
Every grave youve filled, all the blood youve spilled
Ill be watching you
Oh, cant you see
You belong to me?
