Christina Aguilera, Every Breath You Take

Every breath you take

And every move you make

Every bond you break, every step you take

III be watching you

Every single day

And every word you say

Every game you play, every night you stay

III be watching you

Oh, cant you see

You belong to me?

How my poor heart aches

With every step you take

Every move you make

Every vow you break

Every smile you fake, every claim you stake

Ill be watching you

Since youve gone Ive been lost without a trace

I dream at night, I can only see your face

I look around, but its you I cant replace

I feel so cold, and I long for your embrace

I keep crying baby, baby please

Oh, cant you see

You belong to me?

How my poor heart aches

With every step you take

Every move you make

Every vow you break

Every smile you fake, every claim you stake

Ill be watching you

Every move you make, every step you take

III be watching you

Ill be watching you

Every bomb you make

Every job you take

Every heart you break, every irish wake

Ill be watching you

Every wall you build

Every one youve killed

Every grave youve filled, all the blood youve spilled

Oh, cant you see

You belong to me?
