

# Christina Aguilera feat. Lil' Kim, Can't Hold Us Do

So, what am I not supposed to have an opinion?  
Should I keep quiet just because I'm a woman?  
Call me a bitch 'cause I speak what's on my mind  
Guess it's easier for you to swallow if I sat and smiled  
When a female fires back  
Suddenly big talker don't know how to act  
So he does what any little boy would do  
Making up a few false rumors or two  
That for sure is not a man to me  
Slandering names for popularity  
It's sad you only get your fame through controversy  
But now it's time for me to come and give you more to say  
This is for my girls all around the world  
Who have come across a man that don't respect your worth  
Thinking all women should be seen not heard  
So what do we do girls? Shout louder  
Lettin' 'em know we're gonna stand our ground  
So lift your hands higher and wave 'em proud  
Take a deep breath and say it loud  
Never can, never will, can't hold us down  
Nobody can hold us down  
Nobody can hold us down  
Nobody can hold us down  
Never can, never will  
So, what am I not supposed to say what I'm saying?  
Are you offended with the message I'm bringing?  
Call me whatever 'cause your words don't mean a thing  
'Cause you ain't even a man enough to handle what I sing  
If you look back in history  
It's a common double standard of society  
The guy gets all the glory the more he can score  
While the girl can do the same and yet you call her a whore  
I don't understand why it's okay  
The guy can get away with it, the girl gets named  
All my ladies come together and make a change  
And start a new beginning for us, everybody sing  
This is for my girls all around the world  
Who have come across a man that don't respect your worth  
Thinking all women should be seen not heard  
So what do we do girls? Shout louder  
Lettin' 'em know we're gonna stand our ground  
So lift your hands higher and wave 'em proud  
Take a deep breath and say it loud  
Never can, never will, can't hold us down  
Check it, here's something I just can't understand  
If a guy have three girls then he's the man  
He can even give us some head and sex her off  
If the girl do the same, then she's a whore  
But the table's about to turn, I'll bet my fame on it  
Can't take my ideas and put their name on it  
It's aight though, you can't hold me down  
I got to keep on moving  
To all my girls with a man who be trying to mack  
Do it right back to him and let that be that  
You need to let him know that his game is whack  
And Lil' Kim and Christina Aguilera got your back  
You're just a little boy, think you're so cute, so coy  
You must talk so big to make up for smaller things  
Said you're just a little boy, all you do is annoy  
You must talk so big to make up for smaller things  
This is for my girls all around the world  
Who have come across a man that don't respect your worth  
Thinking all women should be seen not heard  
So what do we do girls? Shout louder

Lettin' 'em know we're gonna stand our ground  
So lift your hands higher and wave 'em proud  
Take a deep breath and say it loud  
Never can, never will, can't hold us down  
This is for my girls all around the world  
Who have come across a man that don't respect your worth  
Thinking all women should be seen not heard  
So what do we do girls? Shout louder  
Lettin' 'em know we're gonna stand our ground  
So lift your hands higher and wave 'em proud  
Take a deep breath and say it loud  
Never can, never will, can't hold us down  
Uh oh, oh, uh, uh, uh, uh, uh uh, uh  
Spread the word, can't hold us down  
Yeah, we here, we back again  
Yeah, Lil' Kim and Christina Aguilera, yeah  
Can't hold us down
