Christina Aguilera, Fighter (Keeps Gettin' Better)

After all you put me through You'd think I'd despise you But in the end I want to thank you 'Cause you made me that much stronger

Well I thought I knew you Thinking that you were true I guess I, I couldn't trust Called your bluff time is up

'Cause I've had enough
You were there by my side
Always down for the ride
But your joy ride just came down in flames
'Cause your greed sold me out in shame

After all of the stealing and cheating You probably think that I hold resentment for you But, uh uh, oh no, you're wrong

'Cause if it wasn't for All that you tried to do I wouldn't know just how capable I am to pull through So I wanna say thank you 'cause

It makes me that much stronger Makes me work a little bit harder It makes me that much wiser So, thanks for making me a fighter

Made me learn a little bit faster Made my skin a little bit thicker Makes me that much smarter So, thanks for making me a fighter

Never saw it coming
All of your backstabbing
Just so you could cash in
On a good thing before I realized your game

I heard you're going around Playing the victim now But don't even begin Feeling I'm the one to blame 'Cause you dug your own grave

After all of the fights and the lies Yes, you wanted to harm me But that won't work anymore Uh, no more, oh no, it's over

'Cause if it wasn't for all of your torture I wouldn't know how to be this way now And never back down So I wanna say thank you 'cause

It makes me that much stronger Makes me work a little bit harder Makes me that much wiser So, thanks for making me a fighter

Made me learn a little bit faster

Made my skin a little bit thicker It makes me that much smarter So, thanks for making me a fighter

How could this man I thought I knew Turn out to be unjust so cruel Could only see the good in you Pretended not to see the truth

You tried to hide your lies, disguise yourself Through living in denial But in the end you'll see You won't stop me

I am a fighter and I I ain't gonna stop There is no turning back I've had enough

'Cause it makes me that much stronger Makes me work a little bit harder Makes me that much wiser So, thanks for making me a fighter

Made me learn a little bit faster Made my skin a little bit thicker It makes me that much smarter So, thanks for making me a fighter

You thought I would forget, But, I, I remember I remember, I remember You thought I would forget, But, I, I remember I remember, I remember

'Cause it makes me that much stronger Makes me work a little bit harder Makes me that much wiser So, thanks for making me a fighter

Made me learn a little bit faster Made my skin a little bit thicker It makes me that much smarter So thanks for making me a fighter
