

Christina Aguilera, I'm Not Over You

I'm not, not over you
I can't believe it's over
It's hard to let you go
Cause I can't sleep at night
And that's one thing that I know
I'm not, not over you
I'm not, not over you
I don't why it's over
I don't know where to turn
I tried to let it go
But that's one thing that I know
I'm not, not over you
Tell me what can I do
When I know that we are through
Can't get you off my mind
Think about you all the time (all the time)
I can't get over you
No matter what I do
I'm not, not over you
I know inside I gave it
I gave it all I had
I did all I could do
And still it hurts me so bad
I'm not, not over you
Tell me what can I do
When I know that we are through
Can't get you off my mind
Think about you all the time (all the time)
I can't get over you
No matter what I do
I'm not, not over you
