Christina Aguilera, Nobody Wants To Be Lonely (

Ricky:
Why, why, why

Christina:
Oh ooh ohh

Ricky:
There you are, in a darkened room
And you're all alone, looking out the window
Your heart is cold and lost the will to love
Like a broken arrow
Here I stand in the shadows

Christina:
In the shadows

Ricky:
Come to come, come to me

Both:
Can't you see that

Nobody wants to be lonely
Nobody wants to cry
My body's longing to hold you
So bad it hurts inside
Time is precious and it's slipping away
And I've been waiting for you all of my life (ohh)
Nobody wants to be lonely
So why (why), why don't you let me love you

Why (ooh ohh yeah), why (oh why), why

Christina:
Ooh ooh, yeah
Can you hear my voice, do you hear my song
It's a seranade, so your heart can find me, ohh
And suddenly you're flying down the stairs
Into my arms, baby, ohh

Ricky:
Before I start going crazy

Christina:
Going crazy, ohh

Ricky:
Run to me

Christina:
Run to me

Both:
Cause I'm dying...

Nobody wants to be lonely
Nobody wants to cry (I don't wanna cry)
My body's longing to hold you (I'm longing to hold you)
So bad it hurts inside
Time is precious and it's slipping away
And I've been waiting for you all of my life (ohh)
Nobody wants to be lonely
So why

Christina:
Why, why don't you let me love you

Ricky:
I wanna feel you need me

Christina:
Feel you need me

Ricky:
Just like the air you're breathing

Christina:
Breathing, I need you here in my life

Both:
Don't walk away, don't walk away
Don't walk alway, don't walk away
No, no, no, no...

Nobody wants to be lonely
Nobody wants to cry...yeah yeah

Nobody wants to be lonely (yeah ohh ooh)
Nobody wants to cry (nobody wants to cry)
My body's longing to hold you (is longing to hold you)
So bad it hurts inside (hurts inside)
Time is precious and it's slipping away
And I've been waiting for you all of my life (ohh)
Nobody wants to be lonely
So why (why), why don't you let me love you
Let me love you...
