Christina Aguilera, Reflection (Pop Version)

Look at me, you may think you see Who I really am but you'll never know me Every day, it's as if I play a part Now I see if I wear a mask I can fool the world But I cannot fool my heart Who is that girl I see Staring straight back at me? When will my reflection show Who I am inside? I am now in a world where I have to hide my heart And what I believe in But somehow I will show the world What's inside my heart And beloved for who I am Who is that girl I see Staring straight back at me? Why is my reflection Someone I don't know? Must I pretend that I'm Someone else for all time? When will my reflection show Who I am inside? There's a heart that must be free to fly That burns with a need To know the reason why Why must we all conceal What we think, how we feel? Must there be a secret me I'm forced to hide I won't pretend that I'm Someone else for all time When will my reflection show Who I am inside? When will my reflection show

Who I am inside?
