

# Christina Aguilera, Sound Of The Underground

"Sound Of The Underground"  
Disco dancing with the lights down low  
Beats are bumpin on the stereo  
Neighbours banging on the bathroom wall  
Your sayin' crank the bass  
I'm gonna get some more  
Waters runnin' in the wrong direction  
Got a feelin' its a mixed up sign  
I can see it in my own reflection  
Summit funnies goin' on inside my mind  
I don't know what its pushin' me higher  
Its the static from the floor below  
And then its drops and catches like a fire  
Its a sound I, Its a sound I ,  
It's the sound of the underground  
The beat of the drum goes round and round  
Move to the overflow  
Where the girls gettin down to the sound of the radio  
Up to the mystic night  
Where the bass line jumps in the backstreet lights  
The beat goes around and round  
Its the sound of the under  
Sound of the underground  
Chain reaction running through my veins  
Pumps the bass line up into my brain  
Screws my mind until I lose control  
And when the building rocks I know Its got my soul  
Waters runnin' in the wrong direction  
Got a feelin' its a mixed up sign  
I can see it in my own reflection  
Sumthin funnies goin' on inside my mind  
Don't know what its pushin' me higher  
Its the static from the floor below  
Then its drops and catches like a fire  
Its a sound I, Its a sound I know  
It's the sound of the underground  
The beat of the drum goes round and around  
In to the overflow  
Where the girls get down to the sound of the radio  
Out to the electric night  
Where the bass line jumps in the backstreet lights  
The beat goes around and round  
Its the sound of the under  
Sound of the underground  
I don't know what it's pushin' me higher  
It's the static from the floor below  
And then it drops and catches like fire  
Its a sound I, Its a sound I  
Its a sound I, Its a sound I,  
It's the sound of the underground  
The beat of the drum goes round and around  
In to the overflow  
Where the girls get down to the sound of the radio  
Out to the electric night  
Where the bass line jumps in the backstreet lights  
The beat goes around and round  
Its the sound of the under  
Sound of the underground  
The bass line jumps in the backstreet light  
It's the sound of the under  
Sound of the underground  
The bass line jumps in the backstreet light  
It's the sound of the under  
Sound of the underground
